2. INSTRUCTIONS

Gear Button: Keeps pressing this button for selection 20% -50%-75%-100% options.

Timer Button: Keeps pressing this button for selection 2H/5H/8H/10H/13H/16H/19H/22H options. Please note that indicator turn off which the fan will working all the day.

Power Button: Press to turn ON or OFF power.

1. Open the package, check the accessories first, and install the product in the following order: power adapter--controller--deconcentrator --fan head--clip base.

2. Connect the clip base on fan head and Secure the fan to the tank by screw and tighten it into place.

3. Plug in the adapter, press the “ FAN ” button to turn on fan.

4. Short press the “ Timer ” on the controller to set and select the desired timing. There are 8 options (2H/5H/8H/10H/13H/16H/19H/22H). After the setting is completed, the corresponding indicator green light will light up.

Reminder:

1. If all the timers' indicator light goes out, which meaning the fan is not set on any timer and works all day.

2. If you want the fan to be automatically turn on at a specific time, you need to set the controller at that specific time. For example, your desired turn on time is 11 AM and timer is 10H, then you need to press to timer button to 10H at 11AM. Then the fan will running 10 hours and turn off automatically at 9PM. Next day, the fan will auto turn on at 11AM.

3. Power cut

After power cut and electricity is restored, cooling fan restores the previous setting gear and timer. It runs again your setting from scratch. Lastly, it auto turn off. Next day, the fan will be turned on at the time of the power cut. So you need to reset the timer after power failure if you need the fan to be turn on at a specific time.

APPLICATION

1- SINGLE FAN USE

APPLICATION

2 - MULTIPLE FANS USE

APPLICATION

4. HYGGER LIMITED MANUFACTURER'S WARRANTY

We offer the end user of this product a manufacturer warranty of 3 (2) years from the date of sale if this product was purchased from a hygger®-authorised specialist dealer.

Retain receipt for any future warranty claim. Conditions apply.

Products are guaranteed by hygger®Aquatic Supplies to the original purchaser against defective material and workmanship under normal use for a period up to 3 (2) years from the date of the original purchase through an Authorized Dealer. Refer to the User Manual included with your product for specific warranty details.

Products have no warranty if

- 1.) The product has been serviced, modified or tampered with by anyone other than hygger®Aquatic Supplies.
- 2.) The product has been abused or damaged (including broken or cracked bulbs), and/ or.
- 3.) The product has been transported without proper packaging.
- 4.) The product was purchased from an Unauthorized Reseller.

WARRANTY LIABILITY DISCLAIMER

In no event will hygger® be liable for any consequential or incidental damages, including but not limited to, lost aquatic life, personal injury, property damage, equipment damage, lost profits, lost wages, lost savings, lost income, etc., arising out of the use of any hygger® products.

1.0. Terms and Conditions of Warranty.

- 1.1. hygger® warrants to the purchaser, for 3 (2) years from date of original purchase through an Authorized hygger® Reseller, free to repair or replace parts where fault is found due to defective materials or faulty workmanship and where goods do not operate in accordance with the instructions.
- 1.2. All claims for repair or replacement must be made at place of purchase.
- 1.3. Only the direct purchaser is entitled to warranty claims against us and these are not transferable without our consent.
- 1.4. The original and dated Proof of Purchase (receipt) must be supplied with all goods claims. Please also provide this Guarantee where possible.
- 1.5. Wear parts (e.g.: seals, suction devices, axes, pump wheels, light sources, pH electrodes, filter media, such as filter cartridges, as well as UVC burners), glass damage and the opening of the product, as well as structural changes or the use of non-hygger® original parts are excluded from the guarantee.
- 1.6. All goods subject to claim under Guarantee should be prepared for transportation in the original packaging or other comparable packaging which offers the same degree of protection and hygger® must incur no costs from the shipment.

- 1.7. Where claims on inspection reveal goods are in normal working order, hygger® will request reimbursement of all reasonable costs incurred.
- 1.8. Warranty claims do not exist in the case of only insignificant deviations from the agreed or customary condition or usability, e.g. insignificant deviations in colour, dimensions and/or quality or performance characteristics of the products.
- 1.9. Our warranty obligation extends only to the delivery of newly manufactured products. Unless otherwise agreed, used products are sold as seen, excluding any warranty.

For more warranty information, please see the hygger website.

5. DISPOSAL

Do not dispose of this product as unsorted municipal waste. Collection of such waste separately for special treatment is necessary. This product has to be disposed of at an authorized place for the recycling of electrical and electronic appliances rather than being disposed of together with the domestic waste. Collecting and recycling waste is a way of saving natural resources. So, please consult with your local seller to make sure the product is disposed of in an environmentally friendly way.
