HG908 USER MANUAL

hygger Single Sponge Filter (HG908-SINGLE-M)

hygger Mini Single Sponge Filter (HG908-SINGLE-S)

hygger aquarium single sponge filter is a type of hanging filter, it is perfect for all types of aquarium tanks and fishes.

1. PRODUCT FEATURES

Super quiet and more delicate bubbles:

Hidden outlet design, lower noise, more delicate bubbles.

More efficient and durable:

Double ribbing shape sponges design and made of premium materials. Two sponges mean more surface area for the beneficial bacteria to filter the water in the aquarium to clarity. It also can remove the peculiar smell.

Mechanical and biological filtration:

The filter provides a wide surface area and develops high density nitrifying bacteria.

Increase dissolved oxygen and cultivate beneficial bacteria:

Ceramic pearls filtration media will remove harmful substance and increase beneficial bacterial.

Easy to set up and clean:

It is easy to use and maintain, and also easy to replace sponges.

Suitable for shrimp, betta, tropical fish, planted tanks or others

5.METHOD OF APPLICATION

Please install the filter according to the following

- 1.Open the package and rinse all parts with clean water from the tank (do not rub) to remove debris or dirt and to clean the filter. Then soak the sponges in tank water for 10 minutes. (Attention: For the single S, remove the air pipe side sponge, it is used for replacement)
- 2.Fix the whole filter as above diagram.
- 3.Place the filter on the back wall of the aquarium with suction cups.
- 4.Connect the filter to the air pump with an air hose fitted with a check valve to prevent water backflow in the event of a power failure.

6.TIPS:

- a.This sponge filter must be connected with applicable size of air pump.
- b.Don't use tap water or hot water to clean the sponge filter. Make sure to clean the filter with tank water.
- c.Please equip a check valve on the air tube to prevent flow-back during power failure.
- d.Clean the filter with tank water every 2 ~ 4 weeks.
- e.We recommend replacing the sponge every 2 ~ 3 months.

7.HYGGER LIMITED MANUFACTURER'S WARRANTY

We offer the end user of this product a manufacturer warranty of 3 (2) years from the date of sale if this product was purchased from a hygger®-authorised specialist dealer.

Retain receipt for any future warranty claim. Conditions apply. Products are guaranteed by hygger® Aquatic Supplies to the original purchaser against defective material and workmanship under normal use for a period up to 3 (2) years from the date of the original purchase through an Authorized Dealer. Refer to the User Manual included with your product for specific warranty details.

Products have no warranty if:

- 1.) The product has been serviced, modified or tampered with by anyone other than hygger® Aquatic Supplies.
- 2.) The product has been abused or damaged (including broken or cracked bulbs), and/or.
- 3.) The product has been transported without proper packaging.
- 4.) The product was purchased from an Unauthorized Reseller.

WARRANTY LIABILITY DISCLAIMER

In no event will hygger® be liable for any consequential or incidental damages, including but not limited to, lost aquatic life, personal injury, property damage, equipment damage, lost profits, lost wages, lost savings, lost income, etc., arising out of the use of any hygger® products.

1.0. Terms and Conditions of Warranty.

- 1.1. hygger® warrants to the purchaser, for 3 (2) years from date of original purchase through an Authorized hygger® Reseller, free to repair or replace parts where fault is found due to defective materials or faulty workmanship and where goods do not operate in accordance with the instructions.
- 1.2. All claims for repair or replacement must be made at place of purchase.
- 1.3. Only the direct purchaser is entitled to warranty claims against us and these are not transferable without our consent.
- 1.4. The original and dated Proof of Purchase (receipt) must be supplied with all goods claims. Please also provide this Guarantee where possible.
- 1.5. Wear parts (e.g.: seals, suction devices, axes, pump wheels, light sources, pH electrodes, filter media, such as filter cartridges, as well as UVC burners), glass damage and the opening of the product, as well as structural changes or the use of non-hygger® original parts are excluded from the guarantee.
- 1.6. All goods subject to claim under Guarantee should be prepared for transportation in the original packaging or other comparable packaging which offers the same degree of protection and hygger® must incur no costs from the shipment.
- 1.7. Where claims on inspection reveal goods are in normal working order, hygger® will request reimbursement of all reasonable costs incurred.

- 1.8. Warranty claims do not exist in the case of only insignificant deviations from the agreed or customary condition or usability, e.g. insignificant deviations in colour, dimensions and/or quality or performance characteristics of the products.
- 1.9. Our warranty obligation extends only to the delivery of newly manufactured products. Unless otherwise agreed, used products are sold as seen, excluding any warranty.

For more warranty information, please see the hygger website.

8.ATTENTION:

This filter must be connected with applicable size of air pump and equipped with a check valve on the air tube to prevent flow-back during power failure.
