HZ027 USER MANUAL

Hygger zoo Resin Reptile Shelter

Thank you for purchasing the Hygger zoo Resin Reptile Shelter. This product is specially designed for various reptile species. It is crafted from high-quality eco-friendly resin material that meticulously simulates the texture of natural rock formations. It provides a safe and comfortable basking and resting space for reptiles while meeting their daily physiological and behavioral needs.

1.PRODUCT SPECIFICATIONS

Parameter	Detail
Shelter overall dimensions	12.6 inches (Length) x 9.33 inches (Width) x 5.71 inches (Height)
Feeding bowl outer dimensions	5.12 inches (Length) x 3.54 inches (Width) x 1.38 inches (Height)
Feeding bowl inner dimensions	4.33 inches (Length) x 2.76 inches (Width) x 1.38 inches (Height)
Shelter dimensions	12.6 inches (Length) x 9.33 inches (Width) x 2.95 inches (Height)

2.PRODUCT FEATURES

- This product is crafted from eco-friendly resin, which is non-toxic and harmless. It ensures that no harmful chemicals are released, safeguarding reptile health and providing owners with peace of mind.
- Meticulously shaped and textured to replicate authentic rock formations, it creates a habitat that mirrors reptiles' natural environment. This familiarity encourages instinctual behaviors like basking and climbing, while enhancing visual appeal with lifelike aesthetics.
- Designed with reptile behavior in mind, the multi-tiered structure features varying slopes and elevation zones to accommodate species-specific needs for temperature gradients and UVB exposure. The textured surface enhances grip, allowing reptiles to self-regulate their body heat while preventing slips and falls for added safety.
- The effortless setup requires only suitable placement within the breeding enclosures. No complex assembly is needed, and it integrates effortlessly into the existing habitat environment.
- Durable one-piece molding ensures structural integrity against daily climbing stress, resisting deformation or breakage for long-term reliability, reducing replacement costs and maintenance efforts.

3.INSTRUCTIONS FOR USE

- Allow reptiles to freely access the basking platform. Species requiring higher temperatures (e.g., lizards) will instinctively utilize the thermal gradient created by varying distances from the heat source to self-select their ideal temperature zone.
- Regularly observe your pet' s interaction with the platform to ensure proper acclimation and usage. If unusual behaviors persist, inspect the platform for stability issues or reposition it to better suit your reptile' s needs.

4.CLEANING & MAINTENANCE

- Gently wipe the basking platform with a damp microfiber cloth every 1-2 weeks to remove debris and waste. For stubborn stains, apply a small amount of veterinary-grade disinfectant diluted in water, then rinse thoroughly with clean water to eliminate chemical residues.
- Avoid exposing the basking platform to extreme heat or direct sunlight (except under controlled terrarium lighting conditions), as prolonged exposure may cause resin degradation and structural warping. Refrain from using sharp objects that could scratch the surface, ensuring long-term preservation of its textured finish and functional integrity.

5.PRECAUTIONS

- This product is designed solely for reptile habitats. Keep away from children and non-reptile pets to prevent accidental damage or injury risks.
- Immediately discontinue use if cracks, breaks, or structural compromises are detected. Replace promptly with a new unit to ensure your reptile' s safety.
- When first opening and using the product, if there is an odor, please place it in a well-ventilated area to air dry before use.

6.ONE YEAR LIMITED WARRANTY

For this product, Hygger zoo offers one-year guarantee for free. If you discover a defect, please contact Hygger zoo, who will, at its option, repair or replace the product at no charge, provided that you return it during the warranty period.

A copy of the bill of sale is required as proof of the original purchase date if the product needs repairs within the warranty period. Hygger zoo One-year Limited Warranty does not cover damage caused by the following:

- 1.Artificial damage
- 2.Improper use or maintenance
- 3.Modifications or repairs without the written permission of Hygger zoo

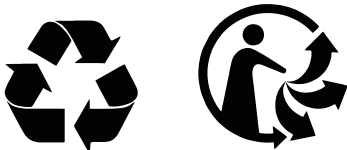

If you have any other questions regarding warranty service or product use, please contact us at zoo@hygger-online.com upon presentation of proof of purchase and product information, and we will solve the problem for you as quickly as possible. We reserve the right of final interpretation regarding the warranty coverage of this product.
