Hygger zoo T5 T8 HO UVB Lighting Combo Kit

T5

T8

Hygger zoo T5 T8 HO UVB Lighting Combo Kit is specifically designed for reptiles, simulating the UVB and UVA radiation found in natural sunlight. It provides UVB and UVA light sources for indoor reptiles such as bearded dragon, lizards and tortoises, promoting the synthesis of vitamin D3. This helps convert the calcium obtained from their food and regulates their internal metabolism, ensuring the maintenance of normal physiological activities for these reptiles.

1.PRODUCT SPECIFICATIONS

Input Voltage: AC120V 60Hz

Operating Temperature: - 20°C to 80°C

Power: T5: 8W (12") , 24W (22"), 39W (34")

Spectrum: 10%UVB+ 30%UVA+ Visible light

Color Temperature: 6000K

Suitable Pets: Bearded Dragons, Chameleons, Turtles, Snakes, Frogs, Caecilians, etc.

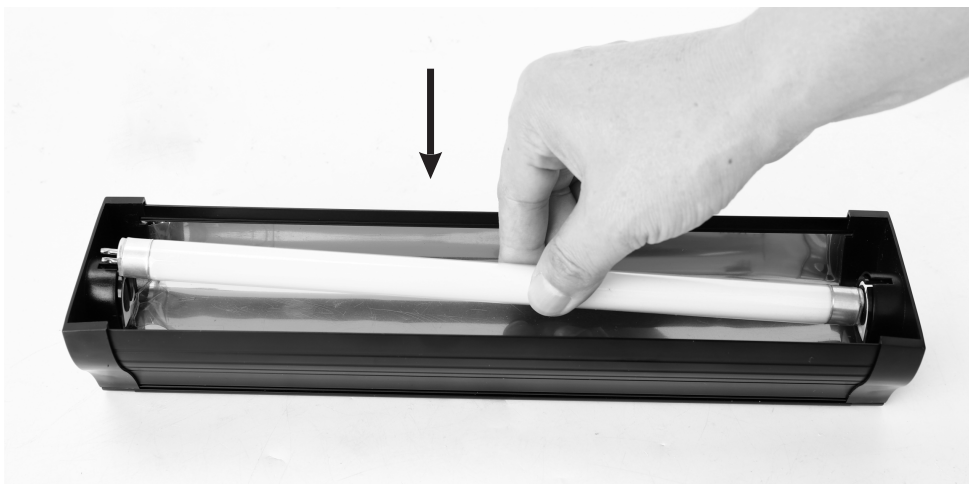

2.INSTALLATION INSTRUCTIONS

Part 1 Pre-installation Notes

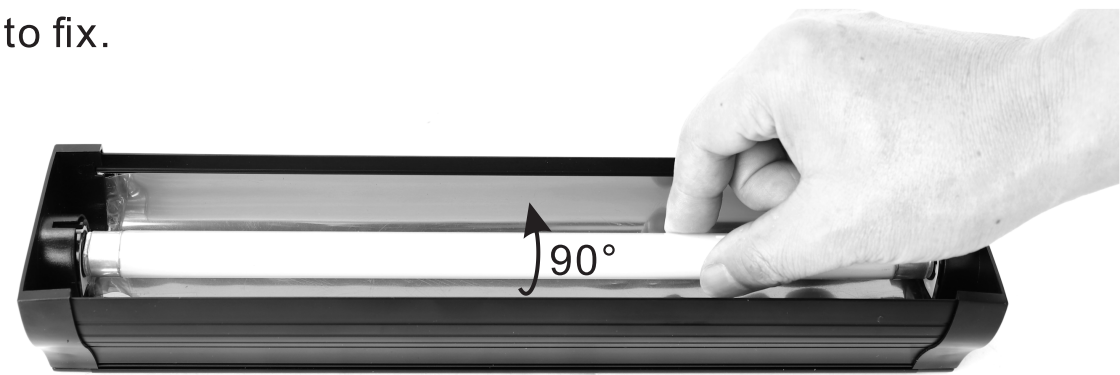

- 1)Please ensure that all operations are performed in a power-off state.
- 2)Check whether the light and its fixture are in good condition.

Part 2 Installation Steps

- 1)Fully insert the metal ends of the fluorescent lamp tube into the slots of the lamp bracket.

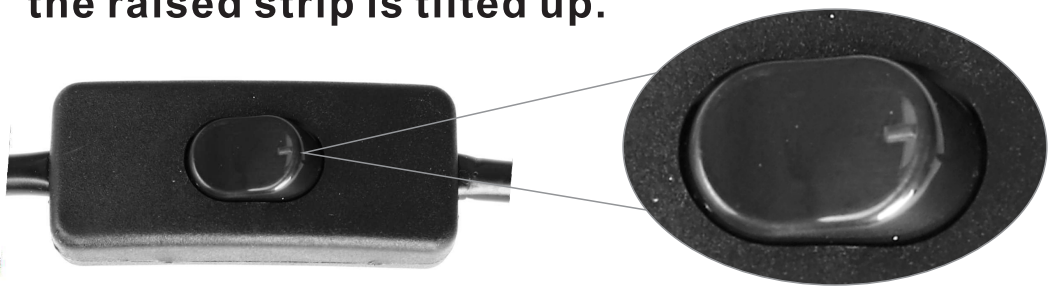

2)Then hold both ends of the tube with both hands and rotate it 90° to fix.

3)Connect the power cord plug to the socket at one end of the lamp.

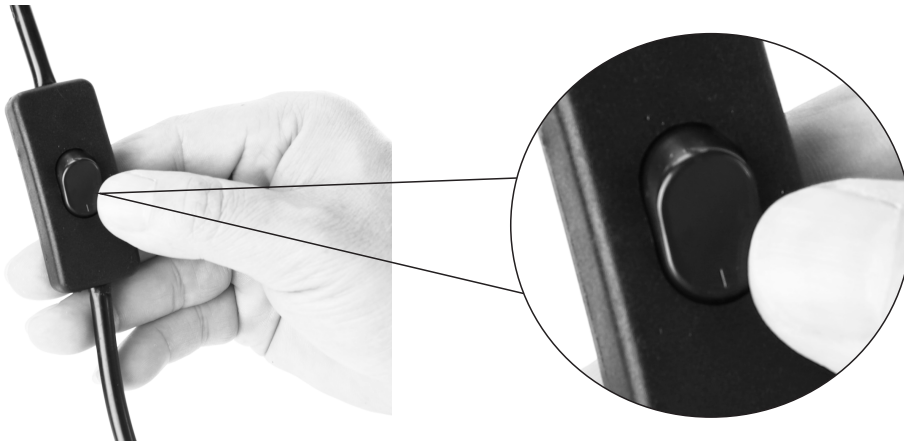

⚠ NOTE: Before turning on the power, ensure that the switch on the power source is in the “off” position, that is, the end with the raised strip is tilted up.

4)The light fixture can be placed on top of the reptile enclosure or mounted inside it. It is recommended to maintain a distance of approximately 12-18 inches (30-45 cm) between the light and the bottom of the enclosure.

5) Press the switch to use the light.

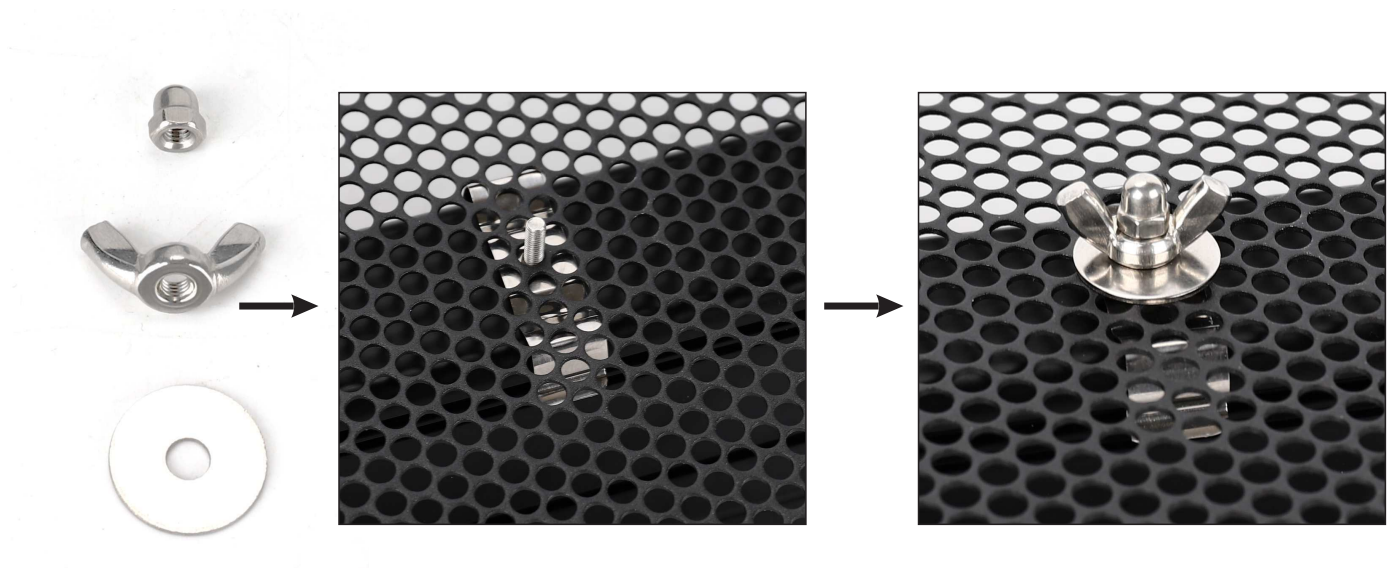

Part 3 Instructions for Installation Under the Mesh

1) Insert the long screw upwards into the buckle and embed the buckle at both ends into the top cover of the lamp.

2) Place the lamp in an appropriate position on the mesh cover of the reptile terrarium, and install the gasket, butterfly nut, and nut cover on the bolt in turn.

3.INSTRUCTION FOR USE

1)Usage Time: It is recommended to operate for 8-12 hours daily, with the operating time adjustable according to the specific needs of different reptiles.

2)Replacement Cycle: Although the lamp tube has an expected lifespan of 3,000 hours, it is recommended to replace it every 6 to 12 months to ensure optimal UVB output.

4.ATTENTIONS

1)Avoid Water Contact: Keep the lamp away from water sources to prevent electric shock.

2)Power Safety: During installation and maintenance, ensure the power is turned off to prevent potential hazards.

3)Keep Children Away: Install the lamp in a location inaccessible to children.

5.PACKING LIST

1x Lamp tube
1x Lampshade
1x Power cord
1x Installation kit
1x User manual

6.DISPOSAL

Do not dispose of this product as unsorted municipal waste. Collection of such waste separately for special treatment is necessary. This product has to be disposed of at an authorized place for the recycling of electrical and electronic appliances rather than being disposed of together with the domestic waste. Collecting and recycling waste is a way of saving natural resources. So, please consult with your local seller to make sure the product is disposed of in an environmentally friendly way.

7.SIX-MONTH LIMITED WARRANTY

For this product, Hygger zoo offers six-month guarantee for free. If you discover a defect, please contact Hygger zoo, who will, at its option, repair or replace the product at no charge, provided that you return it during the warranty period.

A copy of the bill of sale is required as proof of the original purchase date if the product needs repairs within the warranty period. Hygger zoo Six-month Limited Warranty does not cover damage caused by the following:

- 1.Artificial damage
- 2.Improper use or maintenance
- 3.Modifications or repairs without the written permission of Hygger zoo

If you have any other questions regarding warranty service or product use, please contact us at zoo@hygger-online.com upon presentation of proof of purchase and product information, and we will solve the problem for you as quickly as possible.

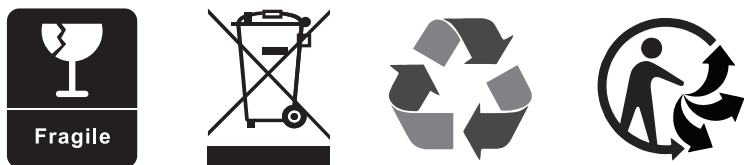

We reserve the right of final interpretation regarding the warranty coverage of this product.
